**Lip Treatment Add On** - A three step treatment for luscious, soft & full lips! An enzyme based exfoliant gently removes dull, dead skin & smoothes lines. Next, a comforting deep hydrating masque plumps & softens the lips. Finally, a petroleum-free citrus lip-balm is applied to seal in moisture and to continue the plumping action. May be added to any facial or hair color service - \$20

**Bright Eyes Treatment** - A four-step treatment that addresses eye area concerns such as fine lines, dehydration, puffiness, and dark circles. Active, organic ingredients give brightness and moisture to this often neglected area. May be added to any facial - \$25
